

1. Purpose

Girl Guides of Canada – Guides du Canada is committed to ensuring that every woman has the opportunity to participate fully in the guiding program, without regard to socio-economic status. Camping is an integral part of the program. To ensure that every girl has the opportunity to enjoy the camping experience, provincial financial assistance is available for those girls who require it, and we invite you to apply. Our resources are, however, limited and assistance may not cover the full cost of camp fees.

2. Assistance Available

Assistance is applicable only to the camp fee and does not include any amount for kit list items.

a. Unit/District Camps

Provincial financial assistance to girls applying for unit or district camps will only be available where the camp fee is in excess of \$50 per girl and will be limited to 50% of the cost of the camp.

b. March Break or summer provincial camp/International/Inter-Provincial camps or events

Provincial financial assistance to girls applying for provincial camps will be not more than 60% of the cost of the camp. In the case of girls applying for a campership for a sponsored international or inter-provincial event, assistance will not exceed the lesser of 60% of the cost of the event (net of any approved fund-raising undertaken by the participants) and the amount that would have been paid for a provincial camp.

3. Eligibility

This form is to be used by girl members requesting assistance to cover the cost of camp or event fees. Where more than one girl in a family requires assistance please complete one form for each girl.

The Quebec Assistance and Travel Grant Committee will consider all applications for assistance and will determine the amount of assistance that can be offered based on factors including, but not limited to, the following:
